THE STORY

We imagine that each author of anything slightly new or different, (whether it is hailed as an intellectual advance or an abysmal aberration), feels that it is the author's duty to present his side of the story in a sort of "Statement of Intent", and so it is with us. We have tried to use as many new ideas as possible in an attempt to make this, your 1962-63 Maple Trail, a yearbook to be proud of. The main theme behind the art, layout, and intent of this book is "PROGRESS", for under the philosophy and general objectives of Campbellsville College we feel that our school will grow to new heights in the development of the minds of young men and women under the guidance of Christian principles and democratic procedures.

In Memoriam

Mr. D. P. Curry

WHO SERVED OUR COLLEGE FROM 1947-1960,

AND GAVE 54 YEARS OF HIS LIFE TO THE

TEACHING OF CHRISTIAN LEADERSHIP AND

KNOWLEDGE TO THE YOUTH OF THIS AREA.

President Campbellsville College

There comes a time for all living things to reach maturity. Campbellsville College has reached that hour and is finding fulfillment in the roll of a four year college serving the great central Kentucky area.

This past year has been one of tremendous sacrifice by trustees, alumni, faculty, friends, and students, and consequently has been a period of unparalleled achievement in the history of Campbellsville College.

As President I am grateful for the opportunity of sharing in the great task of building a college. But above all, I am grateful that this college holds, as it has from its inception, that education should prepare one to serve better both his fellow man and his God.

By: Dr. John M. Carter

Executive Vice-President

MR. JULIUS K. POWELL

May your experiences here be the nucleus around which will cling your fondest memories and your most pleasant associations.

We urge you to apply your talents and training for the good of man and to the glory of God

Thereby proving yourselves worthy of the distinction and honor which is yours in this step of your educational achievements.

It's Powell

Academic Dean

DR. LARUE COCANOUGHER

It has often times been said that we cannot "go back," but the pictures and words recorded in this annual do permit us to at least partly relive a period in the past.

Confucius has said, "One picture is worth more than ten thousand words". We will be able to fully appreciate this statement later when the pictures in this annual will revive many memories that words alone cannot vividly convey. It is my sincere wish that each of you will find these memories pleasant and the future promising.

Larue Cocanougher

Business Manager

MR. MARSHALL BLACK

I have come to expect each Senior to do the right thing at the right time, in the right spirit. Could I pay you a higher compliment?

THIS WAS OUR HERITAGE:
IN LEARNING'S MONUMENT
TO STUDY, AND TEACH THE YOUNG,
UNTIL OUR DAYS WERE SPENT;
TO REEMBODY MIND

THAT SOME FEW MEN MIGHT SEE,
